

Bay Guardian and MORE Major Political Groups Bring Important Support

All endorsements are important. I feel honored and humbled by all their support and confidence as your new Trustee at City College of San Francisco but the run would not be complete without the endorsement of the SF BAY GUARDIAN.

I thank Bruce, Tim, Steve, Amanda, Sarah and the rest of the staff in their continued support for my candidacy and in the hopes to bring City College into full Sunshine.

Even as Election Day come near, many important political groups around the City are still making their endorsements.

Filipino Americal Democratic Club, District 3 Democratic Club, 12th AD Chinese American Democratic Club and Tenant Associations Coalition Political Action Committee (TAC PAC) bring their credibility, major support and members to our campaign for College Board.

Only 19 days til Election Day and we have more literature to drop, transit stop to be at every morning and phone banking needed to help me make necessary change at City College.

If you are not able to volunteer, please donate what you can no matter how little. Every dollar helps.

Thanx

Bruce
