

## DOWN TO THE FINAL STRETCH

GET OUT THE VOTE!!

Here we are on Election Day. A momentous day on all accounts local, state and national.

Thank you to all the volunteers, colleagues, family and friends for all your support and help through this very contentious campaign.

Our potential for victory is big.

Let's make it our biggest win by helping out wherever we can.

If you can take off from work today, please come out to help handing out voting slate cards outside polling stations around the city.
